SCHOOL BASED BEHAVIORAL HEALTH CLINICS

School Based Behavioral Health Clinics are designed to provide a variety of services to school-aged children who have social, emotional, or behavioral needs so that they can experience success in school. Family support services are also available. School based behavioral health services are located throughout Oneida County, with a continuously growing network.

SERVICES OFFERED

Licensed mental health professionals provide the following services, both individually and in the classroom milieu:

- Individual counseling
- Family counseling
- Group counseling
- Behavioral intervention

BENEFITS

- Facilitate early identification by providing appropriate screening, assessment and follow-up.
- Improve efficiency and coordination of services among school-based professionals, clinic professionals and community service providers.
- Reduce the stigma associated with mental health treatment by having clinics in environments where children are located.

WHAT IS CHBS?

Community Health & Behavioral Services, also known as CHBS, is a licensed facility offering behavioral healthcare services to individuals of all ages at various locations throughout the Mohawk Valley. The experienced and dedicated staff provide the highest level of care, while ensuring that the patient’s needs come first.

At CHBS, a patient receives a continuum of care that focuses on the patient as a whole, from physical wellness to better mental health. CHBS provides a comprehensive array of clinical services to individuals and their families. The team at CHBS includes nurse practitioners, RNs, LPNs, psychiatrists, licensed social workers and care managers.

WHAT IS THE COST FOR SERVICES?

CHBS accepts Medicaid, Managed Medicaid, (Fidelis, Blue Options, United Health Care), Child & Family Plus Plans, Medicare and most private insurance companies. We also offer a sliding fee scale based on eligibility. Our staff will assist you in finding the best method of payment to suit your needs. No one will be denied access to services due to inability to pay. Our goal is to ensure that ability to pay does not hinder your accessing the care you need.
